“ *I'd like to send my condolences to all of his loved ones and I ask that GOD grant you the strength and understanding to carry on. Eddie was a great man and friend since the day I first met him. Your personality was second to none my brother and I will miss the conversations we had when you came to Motiva. You were always talking about Nicole and the family and I know how much they meant to you. I appreciate the laughs and the real talks that we had and I will miss that laugh and smile brother. I can't believe that you're gone...Rest in Heaven Eddie!*

“ Sending healing balm prayers! Eddie was a man of authenticity, fun, a big smile of joy even in the midst, what I love most is true commitment and wholesome love for young males. He will always have a mentorship in guiding them into manhood. SIP my brother, job well done! You have completed your assignments in greatness. Lastly, I know how important it was to you for your Nechole to have a vacation. You tried and promise to fulfill that goal for you! Love You! 💜 P.S. you know you will have to nudge her.. 😊
