“ I'm one of the many artist who had the pleasure of working with Mr. Ed Swain for decades. We met in the 1990's while I was in college. This is Joseph Epps, and my whole team including Shane, Kathy, Raa, an Aisha found Mr. Swain a pleasure to work with. He was a fantastic human being, a generous man, and black excellence personified. I thank GOD that I met him, and I will miss him.

“ I have known Eddie for 50 of our 57 years. We attended first grade together and our first year of college at Morehouse. My world is empty and my emotions are torn between wanting him to be here and making peace with him being pain-free. He will forever be my 1911 brother with January 5, 1911, and November 17, 1911. I will continue to honor my brother and his family for the rest of my life. We are given tremendous opportunities and I had the privilege to have been close friends with my dear brother. You have lived the IMPOSSIBLE Dream that we formulated in our youth and no one understands your passion, your business acumen, or your love for your community more than I do. “ *Brother Swain and I became good friends during the preparation of the 84th Grand Chapter meeting which was held in Philadelphia Pa August 2019. We often spoke on the phone and laughed about things that happened during that Conclave. In 2022I made a trip down to the ATL where he and I had dinner 🍷 and continued our laughter in person. Ed, will be truly missed by his Family and Fraternity. Rest in peace 🙏 Good Brother:

“ *My condolences to the Swain family.*

I met Brother Swain at a number of Kappa events selling his Kappa wears. He also assisted me with some graphics for a local chapter with which I was affiliated. He was a good brother and will be sorely missed.
