“ Pops, I love and miss you terribly. They say BLOOD is thicker than water but that just wasn't the case. From many incidents, i was by your side. You took me in as a daughter and I accepted you as a second father. From your jokes and laughs, to your serious faces and long talks. I enjoyed talking to you. You were one of the sweetest men I ever knew and you did everything you could for me even when I didn't deserve it. You've taught me a lot whether you knew it or not. We had that father daughter relationship and for along well. From the long car rides and heart to heart convos. You always made sure your family and I were straight. I would definitely never forget that excellent cooking!!!! I made You a promise and im keeping it. I idolize you today and forever more. Your baby girl forever Jezell.

“ My husband and I are still in shock. Eddie was a beautiful person who has a beautiful spirit. I know God has been blessed to have an angel join him in heaven. Nora I love you and I know this time will be a life changing experience for you and you boys. God is going to make sure that you will be okay. I sent you an inbox on FB on last Friday when I found out. I had to hug my husband real close because I can't imagine being without him. My thoughts and prayers go out to you and your sons. Eddie was a very good father and I know that his sons will continue to shine in his light.

“ This week when God was walking through his garden, he noticed there was a vacant spot so he called your love one home. God always need his earthly flowers to fill his Heavenly garden. May he provide comfort for your family. Our will is never his but just know, he doesn't make a mistake. May all the life memories sustain you in this time of your lost.

“ *I would like to extend my condolences to the family and friends. It is heart rending to lose someone you love but the Bible comforts us by promising that there is going to be a resurrection to life in the near future. John 5: 28, 29 holds out this hope. At Revelation 21:3-5 Jehovah God faithfully promises that tears and pain will soon be a thing of the past. I hope these Bible passages provide you with much needed comfort during this difficult time.*

“ Dear Family,

I am so sorry to hear of the loss of your dear loved one and send you my sincere condolences. The passing of a loved one can leave us feeling lost and heartbroken. But I've found very comforting words in God's word, the Bible. At Psalms 55:22, God promises to sustain those who throw their burden upon Him. God will also do away with death all together as brought out at Revelation 21:4. The bible also holds out the hope of a resurrection of those who have fallen asleep in death at Acts 24:15. May Jehovah, the God of all comfort who comforts us in all our trials (2 Corinthians 1:3,4), comfort you in your time of need. Heartfelt prayers are with your family.
