“ Dear Whitaker Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “. May you have peace as you think about this beautiful hope for the future.

“ Eddie was a sweet and wonderful your man. We will miss him. I saw a lot of him when they lived in Cartersville, he and Kaleena would come over to Toya's for get together, he was still the sweet Eddie I remember from New Hope. I know his soul is at rest and peace. Praying for the family and the children's.

“ Eddie was cared for by my mom Linda Satcher. He reminded her so much of her 2 sons that passed around his age. She truly bonded with him and was completely heart broken when she heard of him passing when she left work Saturday. She didn't find out until she returned Tuesday. I meet him twice when visiting the center he told my mom she had a beautiful daughter. □ R. I.P. Eddie! Sorry for y'all loss.

“ *Pastor Nance, First Lady Nance and your entire family. I am writing this message on behalf of my mother Lula Gibbs. It is with a heavy heart that she sends you all condolences on the passing of Eddie. My mother spoke well of this kind young man. Even when he was ill... Eddie would manage to ask my mom how she was doing while she was ill. Please know that her heart and prayers are with you all. May you find peace in knowing he is free from all the pain. God bless you all!*
