“ *My sincere condolences to the family of Ms. Edna Swann. To lose a loved one in death is the most devastating even that can take place in our lives. The pain and anguish we feel never truly goes away. Our Heavenly Father is aware of what we feel and is here to offer us comfort (2 Corinthians 1:3,4). He holds out wonderful promises concerning our loved ones who have passed away at John 5:28,29 and Revelation 21:3,4. To know that there is a better future awaiting those we have lost in death, where the issues, such as sickness and death that plague mankind right now will be things of the past. I hope his words and the love and support from family and friends can give you strength to endure through this difficult period. I am sorry for your loss.*
