“ *It's amazing how a person's life opens up a connection with others that was literally instrumental in making me the man that I am today.*

*The memories of watching Edward while growing up coming to my home to work on cars literally before I was old enough to drive, and then showing me things about my vehicle when I began to drive. Things like that which was showing me things I need to know as a man in working hard and taking care of things that GOD blesses me with.*

*My father wasn't in my life much at all; however, I know that GOD is a father when your is not around, he will strategically place men in your life to show you things that you need when you need them.*

*I will say that Edward was certainly one of those men who accepted me for who I was and loved me like I was his own son.*

*Through Edward I was able to be loved by a great family who I knew cared deeply about me and will always be my family.*

*Sleep well Edward as I know you are resting in the Lord.*

*To his daughter Ivy, May God continue to bless and comfort you and your family!*

*We must know that although Edward will be absent from this world, his memory will never be absent in our hearts.*

*With deepest sympathy as we are sharing in your sadness,*

*Cesar A. Capers Sr. & Family*

*Matthew 5:4 "Blessed are those who mourn, for they shall be*

*comforted.*
