“ I was saddened to hear of my friend's passing. Bro. Braynon was a great leader of the Omega Psi Phi Fraternity when I became a member in 1979. Over the years, we cultivated a wonderful friendship. When I was the leader of the Third District between 1999 and 2002, Bro. Braynon always attended our annual District Meeting. He remarked that he always enjoyed the way I "ran" the meeting and that was why he decided to journey to Virginia / DC. I will always keep in my heart the friendship we had. My sympathies to the family.
