“ I would like to send my heartfelt condolences to the family and friends of Ed. I was the Facility Manager where he worked, And his cubical was near a communications room that i went to frequently. Every time that i went down there and Ed was in his cube i made a point to stop and talk to him because was such a nice and pleasant guy. We would talk about Football and other topics. I remember coming in on Mondays when his football team didn't win and how how animated he would get about it. (Had me cracking up!!) I miss him!!! REST EASY MY FRIEND!!
