“ *To Letitia and family  
Sending our condolences to the entire family. I will always remember Uncle as a giving person. One of my many memories of him will be seeing him in Baisley Park, Queens. I would stop by with my son to see him and watch cricket for a little while. He would never let me leave without something for my son.  
He was also the one to convince my husband to take the job with NYC sanitation.  
We will miss you dearly. God bless and rest in peace.
