“ I met Ron 6 years ago when he walked into my Chicago Steppin' class. From that point, he developed a passion for the dance. He was always willing to share what he learned and help others to grow in the dance, and became a member of the executive board for Class Act Steppers. Ron was a gentlemen and always brought with him that beautiful smile that we will miss. I will miss Ron, his dancing, photography, his smile, and warm heart.

My sincere condolences to the family.

He was always a delight to dance with and had a smile that could light up a room. I met him at Backstage and since then he has always welcomed me and made me feel special! Prayers for the family. His love will always be a part of you and the memories are to be cherished.*

“ *I had the pleasure of meeting Ron at the Chicago Steppin Class at Berean Christian Church. He was very smooth on his feet and a very patient instructor to someone like me with two left feet. I also learned about Ron's love of all types of music one day as we stood out in the hot sun for thirty minutes excitedly discussing our favorite throw back songs! Because of our discussion, I now have a favorite Pandora station to listen to as I write - Bossa Nova Radio. Thank you Ron for how you touched my life! May God bless and keep your family always. VJ*

“Ronnie my dear sweet cousin you have been apart of my life since I was a little girl. Al, Ronnie, Tony, William and me (Judy) have always been apart of each other’s life. In my mind all I can see is mom bringing William and I to Vidalia to see grandmama, granddaddy and picking up the three of you to be with us. This was the highlight to see you, Al and Tony. So much fun working for granddaddy with the tobacco making summer money and oh yes going to the movies on Saturday. Then riding in granddaddy’s pickup truck in the back with the wind blowing was exciting and fun. There are so many precious memories that no one would believe how much time our lives intertwine. The three of you were my big brothers with little nerdy William. Lord knows we all are going to miss you so very much. You were more than a cousin, you were a big brother in more words than I can say.

Now rest Ronnie for your work is done and you are joining your dear father Uncle Eddie B, grandmama, granddaddy, Aunt Catherine, Uncle Robert, Aunt Jennie Ruth, Uncle Jim Al, Uncle Felt, Uncle Eddie, and my father (Uncle Bill). You will not be along.... Fun at the family reunion my only picture that I took of you Pompano Beach, FL....

Love you,

Judy 😊

Ron you were my true friend, that became my big brother that I have begun to miss extensively. Words can not describe the depth of the hurt that my heart feels. This is the first time that I can relate to how Jesus felt when he loss his best friend

We shared so many great memories together, we talked everyday. You were teaching me how to see beyond the camera to take the perfect picture. I was new to the area and you took me under your wings and watched over me. Nevertheless, God needed you the most. I do know that you are now still watching over me because I can still see your smile and hear your voice letting me know that you are okay. I MISS YOU SO MUCH AND WILL LOVE YOU FOREVER 😍😭 until we meet again Rest In Peace MY-FRIEND and MY-BROTHER!!!
