“ As a little girl,, I would always look out the window, hoping I would see his blue and white truck, and hoping he was coming to see me, but it wasn't him! I remember the few times I was allowed to see my daddy, I always had butterflies the closer o got to his street that his house was on, until I reached his house! I always loved my daddy, I'm thankful for the little time I was allowed to see and spend a little time with him! I have always loved you daddy and I always will! From me and your grand babies that was fortunate to see you for the first time before you left here! I miss you so much daddy! Just rest easy and keep a watch over us,!!!
