“ Dear Bynum Family: Please accept my sincere condolences for the loss of your love one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “. May you have peace as you think about this beautiful hope for the future.

“ Red we have had allot of good times. From just sitting for hours and days watching Son's of Anarchy to just cooking Puerto Rican food for y'all. I don't think you've ever said a cross word to me but you did get madder than ever when I was cleaning and threw away your champagne. I can see you now kicking doors and slamming them but you didn't say anything to me. I'm really gonna miss you, you were always a really good friend to me. Love you!!

“ I remember the first time I met Jermaine is when Kiki brought home over to my house to meet my late husband Eddie and I. He was the sweetest person and he was the first one to call me gigi and I also loved how he took care of my mother in law up until her death in 2008. Rest easy Jermaine and keep a lookout on us. You will always be my brother in law
