“ *Family,
I am praying that God will give you strength and endurance during this time of sorrow. We, as part of the extended family of Edwina (Sweetie) feel your loss as well.*

I shall always remember her bright smile, joyous laughter, and outgoing spirit.

Her attendance at my oldest son's final rites was surprising and uplifting. I shall cherish her in my memory forever.

*Love and may God bless you!

“ *Terry and family members, May God give you supernatural strength and peace during this time. Remember the love and joy we have in our memories.*

I'm grateful to have had Edwina as a friend at such an early age in our lives. We were 10-12 years old. I often reminiscences about our childhood days in Marion. How we would walk the town laughing, talking and walking for hours. Her beautiful smile and heart is an eternal picture. She will always be loved and missed.

My thoughts and prayers are with your family.

I will always cherish the time I worked with Edwina back in the early days of Astellas. It was great time for all of us.

Dear Terry and family,

Edwina and I worked together at Cephalon. Edwina had a special inner light that made it a joy to be with her! She looked out for her team and helped so many both personally and professionally. But, most of all, she loved her family! And, was so proud of you all. May your memories of her bring you both peace and joy. She will always be watching over you.

To the Family,

When a beloved friend becomes a memory, it is treasured. Edwina (Sweetie) was a beautiful friend from grade school throughout high school, and into adulthood. I will always treasure the memories of love & laughter.

May your family be blessed with peace, comfort, and love.

Sweetie,

Growing up in small town Marion, Alabama, this name was as much a proper name for you as your formal one. It is there where you developed and grew and was much loved. We were inseparable then; from 4-H to Girl Scout to cheerleading and choir and the National Honor Society and other activities too numerous to name. Fearless, you were. Even walking a huge and dangerous fallen log over a small ravine on the fringe of do not go there of the school grounds. It was you who decided to do it, and I was a willing participant. It became a secret little place to sit, gossip, and tell secrets.

Then we moved on, and the promises to often stay in touch faded. We saw each other in little snippets. And, although I missed out on so many of your life's stories, I smile and hold dear to my heart some of your very good ones. Therefore, dear cousin, thanks for the memories. Godspeed, Andree

Wishing the Wyatt-Knowles family my sincerest condolences.

Sometimes during your personal or professional life, you have the privilege to meet someone who just has too many beautiful qualities to list. Edwina was one of those people, and I know I was blessed to have known her. My prayers are with Terry, Amber, and all extended family members during this difficult time of loss. God bless.
