“ *Elaina had a beautiful soul, presence and voice. Her songs filled the hallways at our high school we went to together. She had an amazing smile that made you feel special. I have been truly enjoying her posts on FB, reminding me of how important our Faith is and calling us beautiful all the time. I am saddened by her passing. The world will be a little less bright without her smile. We will miss you Elaina, but I know you are up in Heaven singing with the Lord and all of the other angels.*
