“ My loving sympathy to Charles and Chad, daughters-in-laws, grandchildren; Calvin and his family, and other family members..

Elayne - A Phenomenal Woman: .

An awesome and accomplished missionary of the Ruby Hoke WMS as well as serving in offices on Area and Conference levels, she shared her gifts/talents with our AME Church: At Antioch, she served as MC of programs for Antioch's children/youth; moderator at Social Action events for political candidates, and at forums and workshops on domestic violence and human trafficking.. I told her that she would be a great anchorwoman. She responded with a laugh.

As a speaker at our Annual Missionary Day, she also presented her own music -- with her beautiful, soprano voice. She is now directing one of the angelic choirs.

I admired her grace, beauty, kindness energy, perseverance and passion for life and people.

I would often see her with grandchildren at Red Lobster for Sunday dinners after church. If I were alone, she would ask me to join them.

To God be the Glory for the life, service and work of our beloved member/friend, Elayne W. Hunter..

“ *Elayne was an inspiration to me. Being in the presence of her beauty and her spirit was always a joy. Elayne always encouraged me at church, in the YPD and Missionaries, and in life. She treated me like family, and trusted me to babysit her boys, and when I became a realtor, she had lots of advice to offer. I will always cherish her memory.*

“ *To family, church family and friends, my heartfelt condolences are with you. Elayne was a beautiful soul, full of love and faith, ascended to heaven, away from us, but closer to God. We will miss her dearly. Her loving spirit, beautiful smile, wisdom, burst of laughter and elegant taste of fashion.*

She was my dearest friend (like an aunt), mentor and DeKalb County colleague.

I will forever keep her memory in my mind and heart. Praying for your strength.

“Elayne was my immediate supervisor @ Lou Walker Senior Center....She was always a well kept lady that shared the heart beat outside of her body with me which was her grand daughter Jada....Jada and I was born in the same month and she was constantly saying that Jada was a younger version of me that consistently got on her nerves. I count it an honor to have cross her path because she was full of wealth and knowledge for anyone to gleam from. Praying without ceasing for her sons, daughter n laws; grandchildren, brother, family and friends for strength and comfort.

“ I am so heart broken to hear of Elayne's passing. We were the original folks in Kirkwood and I grew up living next door to the Washingtons. One of my most memorable moments was when she wrote my speech to be Homecoming Queen of Bass High. I was elected Miss Bass High School because of her assistance with my speech. There so many memories from living next door for so many years. My prayers to Chad, Chuckie, and the rest of her beautiful family. My deepest condolences

“ I was heartbroken to hear of the passing of my beloved friend and former co-worker. I will always remember Elayne. She was intelligent and very resourceful. I will always cherish the fond memories we've had - the times we worked on projects , went shopping and ate together. The stories and dreams we've shared – our love for fashion and music. She was a great singer and blessed us with her beautiful voice on many occasions. I know now she is singing with the angels in heaven.
May her soul rest in peace.

“ *Elayne was a trailblazer. She worked so many years driving positive environmental and social change here in Georgia. We worked together as partners when she directed the Atlanta Outdoor Activity Center. In those days, around 30 years ago, she was often the only person of color in the room. Her personality, her caring and her easy laugh informed many a discussion around urgent priorities. She was a founding member in the establishment of the Environmental Fund for Georgia, now known as EarthShare Georgia. Elayne also served on the board of directors, and, later as chair, of ECO-Action.*

She never stopped even after her formal retirement. She was a beautiful example of service and a voice for change. Thinking of her sons and all the family at this time.
