“ The last time I heard Climon preach I knew that he had reach a new level of faith in his walk with God. His sermon title was, Our problem between here and there, (Matt. 4:35). Jesus said, Let us go to the other side. He didn't say what would happen in route. Climon has made it through the storms with Jesus to the other side. We will see him again. Until then, we will miss him. Rose thank you for sharing such a wonderful man of God.
