“ I would like to extend my deepest sympathy for the family, friends and co-workers. I had the privilege to have her as a loyal and precious employee beginning in 2005. I loved her warm personality and sweet smile. Even after she went to another office in GDOT, we kept in contact. Whenever, we saw each other, she would brighten my day with her smile, kind words and good hug. What a glad reunion day twill be. Praying for all.
