“ *Friend of so many and lover of all things that brought friends together for a good time. Liz you will be so missed as long time friend to my sister Lucy (Woobaby) and myself, I will never forget you. I remember Wildwood Crest, The Gay Ball back in the days and the annual tricky tray at the Brownstone, where you clean up on large gifts and hollering out Georgia in the house. I will miss you always checking up on us through your caring phone calls. Rest dear sister friend, you are in His arms. I pray for Ms Rachel and the rest of the family. May God bring peace to their troubled souls. God Bless. Lucy and Paulette Pauling and family*
