“ Liz,

My friend, my sister whom I loved dearly. To the family of Liz, my family here in Connecticut want to express our deepest sympathy to you for your loss. Liz was part of our family. We have so many beautiful memories of her. Her love was unconditional.

She was a wonderful wife, mother, grandmother, aunt, cousin, and friend to so many people. I am so happy that God allowed us to become friends. She was my sister friend for life.

I will always cherish her beautiful memories forever in my heart. To her children, your mom was an awesome women. She loved you all, and was so proud of each and every one of you.

May it comfort you to know that she is resting in the arms of Jesus right now, we have to do our part, so we can see her again.

*Love Always,
Your sister, your friend forever*
