“ *Ella Burn-Benham will definitely be missed. Joseph your mom was so proud of you, we'd sit at lunch and go on and on about our boys. Ella taught me so much about how to get ahead at the Board of Health but always be true to myself. I remember a quote that stuck with me, that I repeated to people I later trained. "Do right and right will follow you ". That's something I try to live by even in my personal life. I loved and respected your mom so much. I wanted to come see you today but I got sick so I will talk to your mom tonight as I pray to God because I know she's with him. Be strong Joseph, he'll give you strength to get through this.*

“ *Ms. Ella had a gentle, kind spirit that was so real. A woman of God. She and I love to laugh. When she left Clifton Springs ,it was as if part of me left. We didn't speak often,but when we did ,we had so much to talk about that the conversation would go on and on. Joseph , my condolences for your loss.*
