“ I am offering my sincere condolences to the Carter Family. i worked with Ella for many years. She was a great friend for me when my sister died in 1997. she was there to wipe my tears away when i was sad. It just seems since our days at S A we have lost track of each other. Never the less, she is at peace now. resting in the arms of our LORD!

“ Worked with Ella for many years at Scientific Atlanta. She was a very happy person to work with. She could make you smile and forget you were working. Dear friend. Sorry I didn't get to see you much after we left SA, you will truly be remembered.
