“ *Ella Ruth. I remembers a child spending many, many days (and nights) at your house playing basketball with your son's, and many years of going to school with your daughter. I also remember the years when you used to sing with my Dad in the Whites Chaple choir. "Y'all had those church folks rocking!" These are memories that I will cherish forever. We were Blessed to have you as a great neighbor.*

“ I love my Auntie so much. She has always been kind, gentle, and intentional with me and my children. Every single year, without fail, she made sure each of my babies received a birthday card and a Christmas card. That was just who she was. She showed love in ways that stayed consistent, quiet, and real.

When I lost my cousin, she made sure to send me a card with her condolences. Even in her own pain, she still reached out to comfort mine. That's the kind of woman she was. She carried love in her hands and gave it freely.

I remember one day coming over to the house while my grandma Phat was visiting. My Auntie asked for prayer. We all joined hands together, and the Holy Spirit filled that room so heavy you could feel Him moving among us. I watched my Auntie begin shouting, “Thank you, Jesus.” We cried together, not out of fear, but out of knowing that God was present and working.

And He was.

The God we serve did heal her. He didn't say how He would do it, and He didn't do it the way our hearts hoped, but He did heal her. He healed her fully. He healed her completely. She is now at peace, whole, and resting in His presence.

I will always carry her love with me. I will always remember her kindness. And I will always thank God for allowing her to be my Auntie.

I love you and I miss you, Thank you for everything 🙏🏻🙏🏻🙏🏻🙏🏻

“ Thank you, mother, for being a loving, supporting, and a strong person in my life. You were there when I birth my first son/your first grandson (Santana) and you were my ride or die road-dog when I traveled the with him, taking him to any event he was involved in. You were there when I birth my second son (Bryson) and traveled to Texas to see him in his milestone events. You were a wonderful mother to your children and a wonder friend to others. You will be missed, but I know you are with your Heavenly Farther and looking down on us. Love you mother, Your daughter Aretha

Grandma you brought me and Darius in when I was only 6 even though you already had a house full in you tiny 1 bathroom house. You took such good care of us and loved on us everyday. You shared your bed with me as wild as I used to sleep. You would fall asleep with the TV on and as soon as I tried to turn it off you would wake up and say your were still watching. Lol . You did my hair every morning before I had to go to school (because my daddy could not do hair! Lol. But you made sure we were good and got our lesson as you would always say. Lol. I appreciate you so much. I just know you would live until 100, but I'm definitely grateful for all the time we did get with you. Love you Grandma! 🥰 love your 1st granddaughter Constance
