“ I was blessed to know Eloise as we were members of the same church in Decatur in the late 80s through the mid 90s. She greeted everyone with a bright smile. Her tender heart and genuine faith made an impression on me —an impression that endures even though I had not seen Eloise in over twenty years. As I have continued to receive news via email from Northlake, I have prayed for Eloise. I pray she knows now the enduring difference she made, and I pray for comfort for all her loved ones who miss her until we are all reunited one sweet day.
