“ Ma tante Emilie,

You were an important part of our family. If only we could have you here longer, your time was so short while you were here with us. I'm so grateful that some day I will see you and get to spend eternity with you.

“ *I love you Nennen'n Miyou!*

She was my aunt!

She was my godmother!

She was my marriage first witness (Yep, I made her travelling back to Haiti 22 years after having left the country for my wedding!). I was happy to be part of your 84th birthday celebration, although virtual.

I love you! I love you!
