“ I remember when Maurice first introduced Emily to me, I instantly knew that she was going to be the one for him. Her smile, her gentleness, her willingness to learn from Maurice and him learn from her. I had the pleasure of being apart of their wedding, and that literally sealed the deal. I knew it was going to be love forever and it will forever be love. I will be there to support Maurice and his youngins. Emily has always being so welcoming to me and I will carry that energy with me throughout life..Emily will be missed but as long as she's in our hearts, may she never leave.I love yall. -Lee

“ *I had the pleasure of meeting Emily through Art, and I can attest that she was a beautiful, sweet person. It's clear that Emily felt an overwhelming sense of love and support from Art, Shirley, and their entire community. Her passing will undoubtedly leave a void, but her memory will be cherished by all who knew her.*
