“ Dear Davis Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “ There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ Those we love don't just go away they walk beside us every day. every day unseen, unheard but always near still loved, still missed and very dear & caring nurse. That is Emma to us. My prayers of comfort reach out to her seed (children), friends and other family members. May the Love and Peace of God be with you, around you and as you.”
