“ Trust in the Lord with all your hearts. I am believing God will strengthen you Cynthia and Family as you say goodbye to Mother Lauderdale. I did not know your Mom personally, but am acquainted with someone who did know her for more than 45 years and has spoken so very highly of her. She had a right Spirit from all that Michael Eason has ever spoken of her. I missed out on some of the goodness of this natural life, by not encountering Mother Lauderdale on my life's journey, but we accept the will of the Father and await his coming. You all be strong thru Christ as you face your tomorrows without her physical presence. \*
