“ I will forever miss you, cuz. You was always such a warm hearted person who showed genuine love towards me. For that, I was always happy to see you. It's kind of hard for me to believe you're gone from this side, but may we be joined together one day on the other side. May you be at rest. Love, Cousin Sheila.

“ My deepest sympathies for the family. Mr. Ramey was always very helpful at Kroger. If you were looking for a item he would go and see if he could find it. Very nice and professional person. May he rest in peace.

“ Our prayers go out to Emmanuel's family. I remember concerts in Rome and Albany that he and his dad supported for many years. Always had a big smile and warm personality. A true quartet lover who we appreciate and love.

“ Like so many of us, we have been friends ever since we met in high school. You always had a smile on your face and were genuinely accepting of people, regardless of their flaws. No matter how many years passed in between seeing each other, you always were glad to me and we would talk like no time had passed. You were a beautiful soul on this earth and you will be missed. RIP my friend.

“ You were just a genuine person every time i saw you. Alway jar half full type of guy, which in today’s times, was a very honorable quality to be able to have and maintain. Rest up classmate, job well done.
