“ Emmett, I never expected that this picture would be the last time I would see you on this side! You knew I only had a short time in town and you saw it fit to pick up and we only had enough time to ride around the block Labor Day weekend (Sunday) 2021! It was quick 10 minute check in. In your normal hue, “i just wanted to lay eyes on you friend” you said! We laughed, we caught up, we hugged like brothers did! As always we encouraged each other! I just finished viewing your home going celebration and I couldn’t be more proud of your legacy and your lineage. You come from strong people! You were our Prince and our motivator on Earth! I am so blessed to have met you on IG years ago and we became the best of friends! There are good people on earth and you were one of them! Until we meet again!! You will forever be “Popping” homie!

I Love You Always,

Antoine Dandridge
