“ We were shocked and heartbroken when we heard what happened. Dion and our son grew up together. He was such a nice respectable young man and will be missed. Our prayers are with the family. Rest in Heaven Dion.

“ *With my deepest sympathy, I don't know how I feel right now. I saw Dion a few years ago and had a blast. I have not seen Dion and the family in well over 30 years. I saw Dion a few years ago and had a blast, and so much to talk about. It was funny when I seen him after 30+ years, I was at a stop light on my way to pick him up from work and we in the car, at the green light, just hugging. We both are very secure in our masculinity lol, but when I saw this, I didn't know what to do, I honestly froze up for a minute. I love you my best friend, my homie, my buddy, my partner n crime, I'm gonna miss you dearly, love you bro!!!*

“ *I've been knowing Dion since I was a little girl; way before double digit age. I am very saddened by this. Please know I love each of you just as I loved him and prayers for strength, peace, and God's unfailing love are being sent each day. Continue to look to God and know I love you all just the same. Rest easy my dear friend!*
