“ We can never be prepared for the loss of a loved one nor can we avoid the pain. However we are offered comfort by the scripture here at John 11:25, 26: “Jesus said to her: ‘I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life; and everyone that is living and exercises faith in me will never die at all. Do you believe this?’”

“ This is to the Blackwood family and hope this be comforting, When our love ones dies, it pains our hearts and we sometimes feel helpless . the Bible comfort us when we feel this way. may this scripture be of comfort Isaiah 25:8; says He (God) will swallow up death forever. and the Sovereign Lord Jehovah will wipe away the tears from all faces

“ *In memory of my brother Ted as i call him what can i say he was my brother he was always there for me whenever i needed him i will sure miss him i didn't get a chance to say goodbye to you brother No matter how long its been there are still times when i think of you suddenly it gets harder to breathe heaven has called upon you leaving so many words left to say for your time has come words unspoken i am sure everybody has some regrets and wishes are probably there too but lasting forever are memories of you now its time for me to say good-bye until we meet in heaven*

“ *I remember when my uncle used to babysit me and my brother. He was protective and sincere and was there to help raise us. Forever grateful and loved him even though he moved thousands of miles away and it was hard to visit and see him. I took for granted he was so young only in his 40s that I had time to catch up and see him. I feel so sad that I was not able to express that he was in my, Jessica Mercado, and Anthony Martin's thoughts all the time and that we care about him.*
