“ *I will always love you with all my heart, I will miss you so much, but I know you are in a better place. You are with your maker and our mother and our other love ones. I saw the Ravens game and they lost by a toe and I saw the eagles game and they won. If you was here you would have call me and James just to mess with us. I love you just for that to. So I love you .I will see you when we meet again. I love you your sister Arlene.*
