“ *I'll never forget when Ciara found out she was pregnant with Nuri! You were the happiest grandma ever. Continue shinning your light through Nuri. Whoever Ciara loved, you lovingly welcomed them into your home-I'm grateful to be one of those! I love you forever*

“ *Aunty, this is so hard for me to process. I remember you working at Timothy Middle School, giving me free ice-cream sandwiches, and smiling at me, then telling me to go on, no one knew you were my aunt, hahaha. I love you so much. One thing I loved was going to Aunty Bea Roache's house and looking out her window, waiting for ya'll to pull up. My world lit up every time because I got to see my family, but most of all, I got to see you. You meant a lot to me. Your persona, your smile, your aura, and the love you have for anyone, you truly were our blessing, and I'm so glad my family met you, Jill, Cha'kina, Cha'kara, Shyann, Tyrone Jr, and Tredan. 🕊️*
