“ *Sadly I did not get to know Miss Ernestine very well. I only had just met her at the funeral services for her daughter. However I had already heard many stories of what kind of person she was from Mark Gibbs. He had and still has so many wonderful memories of her. And he is not the only one that has these memories and stories to tell. They will go on and on. That's how I know she was a very special person indeed. Now she has gone on to be with the Lord... I have a feeling her daughter was there waiting for her. Cheers Miss Ernestine, the good times are just starting.... save a seat for us.*
