“ Bro' Maxwell and I attended some classes together in high school and some good memories from Virginia State University. Post high school and college, we visited with our late bro' Squeaky (Adrian Smith) in Smithfield, What a joy it was with Denise Martin and Howard Gwynn attend too and later his heartwarming invitation to visit (him) in Georgia. A true Trojan - double Trojan - who inspired many to excel.

“ Dear Maxwell Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth, by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous.” May you have peace as you think about this beautiful hope for the future.

“ *Tribute to Dwight Maxwell*

The relationship between Dwight Maxwell and Cherry Ridge Subdivision was love at first sight. He shared this story with our Community a few short months ago as the Cherry Ridge Homeowners Association discussed the celebration of its 30th Anniversary. Dwight and Deloris visited the Community in 1988, shortly after the building started; they went home and decided to purchase; he returned and submitted the earnest money the same day. Dwight's commitment to the Community was immediate, and he was one of the founders of the Cherry Ridge Community Association before it became the Cherry Ridge Homeowners Association. Dwight served as Chairman of the Board several times and was known in some circles as "Mr. Cherry Ridge". Our neighborhood is grieving along with the Maxwell Family; we honor Dwight's work and many contributions to our community, and we will miss him very much.
