“ Merrian, Reba and the Washington Family you have my condolences. When Merrian and Eugene relocated back to Gainesville , Fl , I was introduce to Eugene I became Sis. And was never called by my name. I miss him saying Sis on the phone, but most of all I can no longer call on my brother and ask that he appear on program for me, will no longer hear him pray, or sing a beautiful song. He's sing with the angles now. The scripture that come to mine is 2 Timothy 4:6-8, Rest In Peace. Your Sis. Mae E McCoy McDonald

“ *To Merrian and the Washington-Acosta family, Eugene (Gene) and I were Co-workers at the Malcom Randall VA Medical Hospital, Gainesville, Florida for 9 years. He and I were the first African-Americans to serve as Chief and Asst. Chief of Ward Administration Service at that facility. Gene had a genuine love of people, he never met a stranger no matter who that person was be it staff or patient. Gene will be greatly missed.*
God Bless 🙏

“ To the Washington Family,
I was saddened to learn of Bro. Washington's passing. The kindness and care he showed toward his wife and family, his dedication to the Church Steward Board and Choir, his melodious voice and the conviction with which he sang "Yes, God is Real!" stand out among my memories of him. May you be comforted in knowing that my thoughts and prayers are with you.
