“ *What an awesome woman of God. Genie always smiled and in all the time that I knew her, she never complained about anything. I know she is with God now. No better place to be. I will always remember the LOVE that she showed others.*

“ *To the White Family
Our friend Eugenia White was a special and loving member of the
Golden Girls Birthday Club. It was a small club with 6 retired
educators. Now there are only four members. People will forget
what you say.
People will forget what you did, but people will never forget how you
made them feel. White you made us feel special. We will never
forget you and the good times that we had. You will forever remain
in our hearts.
