“ I am just learning about the passing of my Soror Gina. I'm deeply sad and pray for the family. We were at Bethune Cookman together and I pledged her line; was her big sister. I'm gonna miss her.

“ My deepest condolences to the family!! Meeting Gina has been a God sent. Ms Bootsie was like my second mom and I had a sister in Gina. I smile when I think back on the days of fun we shared. Praying for the family and just know that earth has no sorrows that Heaven cannot heal. Evangelist Corlissa Weaver-Taylor

I will always remember Eugenia. I have so many great memories of our friendship. My heart was broken when I heard the news, but been the true loving friend that she was, she was concerned about how I would take the news of her illness.

Eugenia was like a sister to me. I will always love her and know that she is now with God.

Eugenia and I worked together years ago and remained friends. She was so dedicated to her grandchildren and constantly talked about them. Will miss her smile and laughter. Aisha, I love you and remain strong in the Lord. For every joy that passes, something beautiful remains. Remember God Is Your All and All. Friend and Sistergirl, Vernecia
