“ We sometimes go through difficult times, but our trust in Him will see us through.....

I was heartbroken to hear about the death of your Mother. She had a beauty of character and personality that endeared her to all who came in contact with her. Take comfort in knowing that you took care of her well.

Nothing can take from you the wealth of wonderful memories, and the happiness that you and your mother shared for so many years.

*Affectionately,
Julia Barber*
