“ You have taken your rest Mama. After 92 years on this earth you are now with our Heavenly Father. We already miss you but you are no longer in pain or suffering and for that we are grateful. We love you and will always keep your memory alive. Your spirit and all that you stood for lives on forever through those who crossed your path. I’m going to miss talking to you and seeing you everyday. I will definitely miss the encouragement, prayers, and support you gave us. You would always remind us to stand on Gods word in dark times and quote your favorite scripture to us. Philipians 4:13 “I can do all things through Christ which strengthens me”. You reminded us to keep the faith and trust God when we didn’t know what to do. You prayed for us, loved us and was always that listening ear. You taught us to be a giver and servant and show love to everyone regardless of who they were. Rest well Mama, your job here on earth is done

Love Always

“ To the family of Ms. Evelyn Berry: Ms. Berry was sweet lady and always dressed Classy! I met her when I first became a Missionary and since that time, she and I would exchange greetings. She was blessed to live a long life and always wore lovely hat with her outfit. May she rest in God's heavenly Garden. May the Lord word be of comfort at this difficult time. See you Ms. Berry.
