

Evelyn Pamela Jones

August 9, 1960 - November 20, 2020

Celebration of Life Services will be held Friday, December 4, 2020, 1pm in our Gwinnett Chapel. Visitation Thursday, December 3, 2020, 12noon-2pm at Gregory B. Levett & Sons Funeral Home, 914 Scenic Hwy., Lawrenceville, GA., 30045

My best friend,

I thank you for always being there. I remember feeling so alone and you was always there to say we can go out and do something. But I didn't always take you up on your offer. I know for sure you were there to protect, love, and care for everyone you loved and I watched you everyday; and I wondered how you did it all. I was blessed to see you in action and I pray everyday God blesses me with the super hero strength he gave you. My best friend, my guardian angel, my mother you'll be truly missed.

Your youngest

“ My deepest condolences to the family and many friends of my dear friend Pam. I have known Pam since my early days in the plumbing industry. Even though we never met in person our conversations reminded me of brother and sister. I would call with a product related inquiry but it took a good five minutes before we got to what I called about. When I got the news today I went back to the last email exchange I had with Pam and it made me feel better. She was one of the kindest, most patient, caring people I ever knew. I will miss you dearly Pam and I will remember you for the truly beautiful person you are. I am a better person because of people like you. Rest in peace my dear Pam.

“ *It's been over 16 years we have worked together. I cherish the memories of the first three years I lived in Lawrenceville and we all worked in the office together. Even after I had moved away and my visits to office were few and far between, I loved that we could just pick up our conversations as if I had never left. I will truly miss that big smile and hug the next time I walk into the office. All of us at Dornbracht (your work family) know we have lost our "rock" and are struggling without you. I will miss you Pam and my thoughts and prayers are with your beautiful family and friends!*

“ To the family,

I want to extend my deepest sympathy during your time of bereavement. I had the pleasure of growing up with Pam, Jeff and growing under Keith, Chuck, Lena and Sand. Frankly, I consider Douglas my little brother and Jeff the brother I never had so it is with great humility I am writing to you today.

In addition, I want you to know I will be praying for the children and grandchildren as well. I have to also mention that Brian and I lived across from one another growing up in Woodside and I knew his family on an intimate basis as well. So today is a very difficult event to bare witness. However as CHRIST based people, we will continue to move forward never forgetting Pam's presence in our lives. I take comfort in that fact.

Rest my dear sister, Pam.

To GOD Be The Glory.

In HIS Service.

“ My sister my friend, you left us to soon. I will never forget you. You have been in my life forever, even when we were born, I had to wait till August for you to arrive . When we were in nurse school, I had to wait for you for 1st grade. After that we did everything together. P.S. 10 through Norman Thomas. Believe it or not, we had our first kids together in the same month. Now the tables have turned, and you will be waiting for me. I will see you again. Love you forever. SIP

“ I am so saddened to hear of Pam's passing. I talked to her on the phone for years as a Ferguson sales associate and 2 years ago I joined a sales rep agency that represented Dornbracht. When I met Pam in person I gave her a hug. Her warm spirit will be missed greatly and I know she touched so many across the united states as well. Prayers for her family and for peace and comfort during this time.

Sincerely, Crystal Prentice

“ 7 years at Dornbracht, side by side, call after call, we worked really well together! So happy you were able to come to my baby shower and that we met a few times, even after I moved on to a new company! You were always happy or was able to make everything seem so easy. There was no bad day for you. That's how I will remember you. I will truly miss you, my friend! ❤️ To Pam's family, my sincere condolences!
