“ Mrs Evelyn was such a beautiful lady, and the kindest I had ever met. When I had gotten pregnant with my oldest she was so nice and sweet, letting me know she was praying for me. And she loved my sons! When I had gotten pregnant with my second she laughed and told me “don't you know how that happens? “ haha. I have some very fond memories of her and I am saddened to have lost such a pure soul. My prayers and thoughts go to her sweet family. We loved her so much.

“ Sis Evelyn had a beautiful light in her heart that shone brightly through her. When I gave birth to my son she came to the hospital with containers of curry chicken and rice :) she was always ready with a warm hug and a big smile and strengthening words. I still feel so terrible and find this hard to believe. Much love and condolences to her entire family.

“ I remember meeting Ms Miller on the Bx31 Bus going to work, with her 3 grandsons by her side. The bus was about about to pull off when I told the Bus Driver “ To wait Grandma is coming!” The bus stop and Ms Miller got on with Jalian, Justin and Jason and she told the bus driver “ Thank You” . The Bus driver said too her “ it wasn’t not me it’s was your 2 Grandsons in the Back of the Bus” she made her way to Me and Fabian and with that Beautiful Smile she said “ God Bless you my Sons and Thank You “ . From that Moment a Beautiful Bond was formed many laughs and talks I will always Treasure. ❤️😔 I miss you so much. My Condolences And Prayers to The Miller Family. Love Always Steve

“ *My deepest condolences to the Miller family. Hope as she was affectionately known to close friends and family will be surely missed. Her contagious laugh and smile always lit up a room. She was always there for her family, and never ends a conversation without saying God Bless you. Sleep on my sister, your pain is over and you are safely resting in the bosom of Abraham. May your soul rest in peace.*

“ My condolences to my dear Ms. Hope. She was a very sweet woman Christian godly woman. I remember helping for with house chores to make things easier on her so that she didn't have to work so hard and be on her feet so much. I remember her welcoming smile.. There wasn't anything she wouldn't do for family or loved ones. She was always there for the ones she loved. She's in a better place now and she's without sickness or pain.
