“ We would like to extend our condolences to the family. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. With caring thoughts.

“ I have known Ms. Evelyn for a long time I was a neighbor of hers and she was very sweet and friendly. My children went to school with her kids and they were friends. I'm going to miss her smile and greeting me when I would still come over to my parents house. She loved people and I used to enjoy talking to her. She will be missed and I will keep her family in my prayers 🙏🙏🙏

“ My sincere condolences and 🙏 for Arthur and other family members. I have been Evelyn's neighbor for many years. She was a lovely lady known as a very private person. I'm going to miss our short conversations as we would come and go our way during the day..
Memories of Evelyn will last forever! May she Rest In Peace.
