“ From Lorraine Springer-Elliott
Brooklyn, New York

I met this sweet lady in April 1995. She greeted me with a smile. We became friends from the start when she found out that I was a Bajan, and then when she found out that I had family ties to her husband, David, we became closer. She was kind, loving, attentive to anything you were going through. She was always willing to lend a helping hand. When I became the "activities chairperson", she always brought a dish to any activity I presided over. She was a very good cook. I went to her house and then her husband would always pay me more attention at Church because I was family. He was a beautiful person too. I was sent to another branch and when I went back to the branch where she attended at Midwood, She had leave for Georgia. I missed her terribly but the times we spent together carried sweet memories. She was very quiet too and very mild mannered. Evelyn was a treasured gem. I learned very much from her. When I got upset with something or someone, she would always give me a word of upliftment. May she rest in peace. I know I will see her again in the sweet by and by. I love you so much, my dear lady. I wish her entire family Peace, comfort, strength and may the Lord keep you wrapped in His loving arms.
