“ *Evie was always sweet and loving. She was the first person I ever knew on my father's side. She poured into us as kids and provided a place for his to gather and have good, clean fun. She even started a children's choir. If we didn't have transportation, she would pick us up and when Del started driving, she would send him. Rest on dear cousin, you have earned your heavenly reward. Thank you for all you did for us!*
