“ It just seems like yesterday we were together when I read a poem at your moms memorial and now to my dismay I found out you have departed. I was praying in the spirit and I called because she you were so heavy on my heart. Once I called I found you were no longer with us. It made me realize that I allowed way too much time from April to now to talk with you. I called in June but was told you were not there. I didn't know due to transitioning in the spirit. I waited for a return call and now know why I never got it. I will miss you dearly Eyanna and to the best of my ability I will be there for your children and David as you would want. Tell my mother Darlene hello sweetheart. I love you sis and always will! Bye only for now.

“ Please accept my deepest sympathy. There is a wonderful hope in the Bible of a time where our dead loved ones will come back to life on a paradise earth. (John 5:28,29.Luke 23:43) Aren't these wonderful thoughts? Can you imagine seeing you loved ones again? I hope you find comfort and hope during these trying times.

“ To the Family, It's hard to understand why people are taken from us, but find comfort in knowing you were a special part of a well-lived life. When the heart is empty, filling it with happy memories can help. Memories of love and friendship are treasures to carry with you always. Hold on to your memories and let them guide you during this time of sadness. Have hope in tomorrow, faith in the everlasting and take comfort in the love of family and friends.
