“ Greetings to The Catino Family. I offer my deepest condolences for your loss and the loss of my beloved and close friend - Zeek Ko! I'm so hurt to learn this information yesterday from his son. We were very close friends! I'm certain that the celebration for his life was special. Zeek was a special man who was there for his family and anyone! As usual I would go by to check on him or call to see if he needed anything and take him some good food while we laughed and talked about everything! God, continue to bless my friend and watch over him in heaven! Rest in Peace My Friend Zeek KO. I love you man. Dr.James L. Vinson - Vincioni is the name Zeek gave me!
