“ My condolences goes out to my family.
Aunt Fan, your going to be truly missed by us all.
I have so many PRECIOUS MEMORIES...From when I was a child until this very day. Aunt Fan and Aunt Elizabeth Rowe were two wonderful aunts along with others but these two stand out so because I remember our mother (Eunice Rowe) saying how these two ladies would help her with my sister and I.
As for all that new Aunt Fan,she was always so sweet and easy going.
I could go on and on but I'm not... That's just how many memories that I have.
Aunt Fan I love you always and may you R.I.P.
Your niece Minnie Lou and her husband Joe Hamilton

“ *My Condolences goes out to the Rowe and Whitlock Families:
Aunt Fan is TRULY going to be missed by so many of us..... But it's so comforting knowing that she's in HEAVEN With our Heavenly Father.*

I have so many Precious memories as my cousin Donna mentioned, we all have memories.....Even though they are different, but at the same time they are alike because of the LOVE that we received from Aunt Fan.

FAMILY, yes it's going to be hard at times but just hold on to God's Unchanging hands and EVERYTHING is going to be Alright.

“ My deepest condolences to my father Billy D. Rowe, his brothers Hubert and Johnny Rowe. My aunts, cousins, my great Aunt. Know that she will always be with us. Daddy I love you! You and my Uncles are a perfect example of her unconditional love. I cry now because I'm not there but* I rejoice knowing she is with our Heavenly Father. God says when a person leaves this body they are no longer suffering, and they are no longer our past but our future. She is our future now. My little mama was the sweetest grandmother ever. She and big daddy had their hands full with my brothers and I. I will cherish all the moments we shared together. When I last saw you we laughed over how you use to braid my hair just like pippy long stockings Ha! I so didn't like it when I was 8 but I appreciate those moments as I grew up. My first family vacation with you, big daddy , daddy , mom, my brothers , uncle Thomas aunt vinnie , Angela and Uncle Johnny was at Disney world. Even though I was born there it was my first time. Do you remember I was so scared of Mickey Mouse and I bite daddy because he was trying to get me to hug him? I do HA! Daddy probably still has a scar to this day. I remember you and big daddy taking us school clothes shopping at sears roebuck we thought we were big stuff. It's these little moments that I smile about and share with my children. You taught me how to be a child of God. Thank you! I annoyed you with my Ballerina costume but you made sure it was clean so I could wear it until it literally fell apart. When God calls me home please be there waiting on me. I can't wait to see your face in Heaven. Your beautiful, your strength and unconditional love I hold so near. Not all grandparents are blessed to help take care of their grandchildren and I am forever blessed you had that opportunity as well as for myself. I love you I will never stop.

Your granddaughter,
Donna Rowe- Owens
