“ Farrell... I'm so sorry you endured so much pain. I'm sorry I didn't get to know you better. But, the memory I have of you is etched in my head and heart. The day I saw you at Aunt Betties wake, you hugged me and that hug was so sincere, loving, gentle, compassionate and infectious. I've only known one other man that hugged like that and tell him hello for me. A person doesn't have to be in your life a life time to touch your life. You touched mine in 5 seconds. Thank you for your light.
