Fatima, this doesn't feel real. What started as meeting at my job turned into a beautiful friendship I'll always cherish. You brought so much love and light into our lives, we will forever hold you close our heart. I know how much you cared about me and my kids and I am forever grateful for that. I wish you were still here, but God needed you more. Rip Fatima you will never be forgotten.

I want to offer my deepest condolences to Vickory. Fatima was such a radiant light, a beautiful person inside and out with a smile that could brighten any room. We met in 2015 at Gwinnett Medical Center, where she trained me in the billing department. She was very knowledgeable and professional (she was team lead in billing department) I wasn't surprised when she left the billing department for a higher position. what I remember most was the way she would beam when I asked about her son Vickory ; she was such a proud and devoted Mom. Fatima is one of those rare people you cross paths with in life and realize they aren't just a co-worker but consider a friend. She will be so deeply missed. Until we meet again Sleep In Peace for you are but a sleep. Take your rest 😞
